LESS IS MORE

VYE is a fast-acting nicotine mist with fresh flavours and simple ingredients.

VYE mist is made in the UK and dispatched from a UK fulfilment centre. We have chosen to manufacture our products in partnership with an established UK manufacturing facility operating to ISO 7 cleanroom standards.

FOUR FLAVOURS

MINT
A fresh spearmint flavour with a soft, cool finish.

CITRUS
A light combination of lemon and lime.

BERRY
A gentle blend of strawberry, blueberry and raspberry, lightly sweet.

UNFLAVOURED
No added flavour. Just the mist, for when you want to keep it simple.

IT'S THAT EASY

1
SPRAY
One or two mists.

2
HOLD
In your mouth for a few seconds.

3
WAIT
To feel it. Repeat as needed.

Press the button on top for one or two mists. Hold in your mouth for a few seconds, then wait to feel it. Repeat as needed. Don't inhale.

INGREDIENTS

Water, alcohol (ethanol), propylene glycol and vegetable glycerin (carriers used in many foods), tobacco-free nicotine, sucralose (a sweetener), lactic acid (a food acid) and flavourings (in the flavoured mists, not Unflavoured).
